

Submission of this form and the required documents initiates a request for academic evaluation for HOPE and Zell Miller Scholarships for students who have graduated from an out-of-state high school or an accredited home study program located outside of Georgia.

Students must first apply by creating a GAfutures account and submitting a Georgia Student Finance Application (GSFAPP). This state application creates a student record in our system to which academic eligibility information from the evaluation may be appended. **This application must be completed before the transcript evaluation can be processed.**

Students filing a current year Free Application for Federal Student Aid (**FAFSA**) in addition to the GSFAPP must do so by the last day of the term the student is seeking scholarship funds.

Review the HOPE and Zell Miller Scholarship initial academic eligibility information at GAfutures.org prior to submitting the request form and required documents. Transcript evaluations cannot be processed prior to high school graduation.

Required for manual transcript evaluation after graduation:

1. **Completed request form** signed by both the graduate (page 1) and a high school official (page 2). A high school official must complete page 2 of the form.
2. **Final official transcript** (must be signed if uploaded by the student). Final transcripts may be sent directly to GSFC by the high school or a transcript service to ProgramAdmin@GSFC.org. Transcripts submitted prior to graduation cannot be processed.
3. **ACT/SAT score report** (verify receipt of test scores at the Student Dashboard using your GAfutures account. See page 3 of this form for details about submitting test scores that are not on file at GSFC.)

Submit the request form and documents as a single electronic file in one of the acceptable formats by signing in to your GAfutures account, clicking “Document Upload” and selecting Out-of-State High School Transcript Evaluation Request – HOPE/Zell Scholarship” from the drop-down list.
