REACH Scholar Progress Reports

Please Note:

- Deadline for Fall progress reports: February 15th
- Deadline for Spring progress reports: June 30th
- 8th grade students do not have transcript uploads or HOPE GPAs. Simply type in the cumulative end-of-year average after each 8th grader's Spring semester.
- High school students require successful transcript uploads at the end of their Spring semester so that a HOPE GPA can be calculated and auto-populated. This must occur before the student is promoted to the next grade level. HOPE GPAs must be auto-populated before you can submit Spring Progress Reports.
- You cannot enter the most recent semester's progress reports if one of the previous semesters has been left incomplete
