Make Educational Achievement Happen. Donate Now!

REACH ensures that 100% of your donation supports Scholarships for deserving REACH Students.

Since 2012, thousands of REACH Scholars from low-incomes households have been given the opportunity to receive the financial, social, and academic support they need to acquire a postsecondary degree and become an essential part of Georgia’s workforce. Thanks to private donors, like you, additional REACH Scholars will be able to participate in the program beginning in the eighth grade. Selected students are required to meet with mentors and academic coaches as well as maintain academic and behavioral standards while in high school. Your tax-deductible donation will allow the REACH Georgia Program to continue to change lives throughout our great state!

Please visit our website to utilize the fastest and most secure method of submitting your donation: <https://donate.reachgafoundation.org/>.
