Dual Enrollment funding Program
Application Status Descriptions and Reject Reasons

Status Descriptions

PP = Parent Participation Pending
The application cannot be process until the parent/guardian signs the agreement approving the student's participation in the Dual Enrollment funding program.

PD = Parent Denied Participation
The parent has denied the student's participation in the Dual Enrollment funding program; the application cannot be processed by the high school or the postsecondary institution. If this is incorrect discuss with your student and/or parent guardian and resend the parent acknowledgement email.

HP = High School Profile Pending
The application is ready for high school approval and the selection of courses. The parent has signed the student agreement.

HX = High School Deleted
The application has been deleted by a high school official. Only the high school may delete an application; once deleted, the application cannot be retrieved, the student will need to complete a new application if inadvertently deleted.

AA = Active Application
An application remains active, throughout the academic year. If the student chose multiple postsecondary institutions,

CM = complete Manual Entry
A paper application was completed, signed and submitted to GSFC for processing.

NM = Not eligible – Manual Entry
The student is ineligible to participate in the Dual Enrollment program; the student does not meet the eligibility requirements. Paper application submitted to GSFC for processing.

NT = Not Eligible – Program Hours Maxed
The student is ineligible to participate in the Dual Enrollment program; the student has meet or exceeds the program Funding Cap.

Reject Reasons

Course(s) not offered this term
Prerequisite course required
Course/slot/space not available
Admissions requirements not met
